- Combines operational athletics leadership with national fiduciary responsibility
- Well positioned to support the financial oversight, transparency, and stability required of the Treasurer role

To the NJCAA Nominating Committee and Board of Regents,

As the NJCAA Region 12 Men's Director and Women's Director, we are honored to write this letter on behalf of our region to express our unwavering support for Dale Vos in his candidacy for NJCAA Treasurer.

And since we have the opportunity, we would also like to add why we believe he should serve in the role. While his resume speaks to his qualifications, it is the depth of his experience and his steady hand through decades of change that truly define his value to this association.

With 27 years of dedicated service to the NJCAA, he has seen our association through its most transformative eras. This isn't just about longevity, it's about the perspective that comes from nearly three decades of commitment to student-athletes and the membership.

Since taking on the role of Treasurer in 2018, Dale has proven to be a transparent and meticulous steward of our resources. Currently, he is navigating the dues proposal for the next three years. This is a critical task that requires a leader who can balance the fiscal health of the National Office with the practical realities of our member colleges. Dale's ability to communicate these complexities to the membership is a testament to the trust he has earned across our Region and the NJCAA.

It is for these reasons, we fully support Dale Vos' candidacy for NJCAA Treasurer.

Sincerely,

Scott Barlow & Al Perry
