Dr. Brett Monaghan  
NJCAA Vice President  
Championships, Membership & Sports Governance

Dear Dr. Monaghan:

It is a distinct pleasure for me to provide a letter of support for Dr. Gary Warford in his goal to become the NJCAA Men's Senior Administrator. Although I have just recently been appointed to serve as an Interim President for Southwest Virginia Community College, I have been impressed by his work ethic and dedication to the programs and student athletes he serves. He not only has the experience needed for this position, but also the heart and personality needed to represent men's sports across the organization.

As the Men's Senior Administrator, Dr. Warford will have an opportunity to see beyond SWCC, providing leadership and collaboration to all member institutions. His focus on the academic success of our student athletes has been instrumental in the growth of our programs.

Your favorable consideration of Dr. Warford for the Men's Senior Administrator is strongly encouraged. He not only has the experience, but also the integrity, dedication and leadership skills needed by the membership. If you have any questions or need additional information, please feel free to contact me.

Respectfully,

Victoria S. Ratliff, Ed.D.  
Interim President
