COMMUNITY COLLEGE

March 5, 2025

National Junior College Athletic Association  
8801 J.M. Keynes Drive, Suite 450  
Charlotte, NC 28262

To Whom It May Concern:

As President of Lurleen B. Wallace Community College and on behalf of the Alabama Community College Conference Executive Committee, it is my honor and privilege to recommend Mr. Dean Myrick for the Men's Senior Administrator within the National Junior College Athletic Association.

I've witnessed firsthand Commissioner Myrick's dedication to his craft. His drive and passion for collegiate athletics in Alabama is evident by his unwavering support for each college and continued guidance he provides our schools as we navigate each athletic season. Under his leadership, athletic teams have flourished evidenced by his supervision of 23 member schools, 182 teams, and over 2,300 student-athletes.

Commissioner Myrick's tenure with the Alabama Community College Conference has seen him lead the conference through the incorporation process and restructuring the bylaws. He has and continues to serve on multiple boards and committees at the national level while providing unparalleled leadership at the state level. His distinguished background and current leadership style has led me to view him as a mentor and someone who I can count on to make decisions based on policy and integrity.

The NJCAA has a reputation for creating opportunities for young student athletes in their respective sport. Mr. Dean Myrick embodies that same desire and reputation. I am confident that he would represent the organization with integrity, humility, and with sound guidance. He continues to build a legacy, and I am proud to support his desire to be considered the Men's Senior Administrator for the National Junior College Athletic Association.

Sincerely,

Brock Kelley, Ph.D.  
President
