To the National Junior College Athletic Association Board of Regents,

Region 11 and the Iowa Community College Athletic Conference are in full support of nominating Shane Larson for the Men's Senior Administrator position for the National Junior College Athletic Association. I have had the pleasure of working with Mr. Larson for several years and he has demonstrated on multiple occasions his passion and determination to help advance college athletics.

Shane has been involved in the National Junior College Athletic Association in various capacities. From being a student-athlete, coach, athletic director, regional director, and administrator, Shane has a thorough understanding of the processes and procedures within the National Junior College Athletic Association. He has also served on many committees including Chair of Track & Field and has hosted regional, district, and national championships. Throughout every position and role he has taken on, he has been extremely hardworking and dedicated to the success of college athletics.

Shane has continuously been an honest and straightforward person allowing the athletic conference to trust him and his work to be accurate and efficient. His work ethic and knowledge of the National Junior College Athletic Association plus his experience in education, management, and coaching, ideally equip him for this position. Shane sets goals and not only meets them, but exceeds them. His intelligence and organizational skills are second to none and his skill set makes him the perfect candidate for this job.

All the athletic directors and Presidents in the Iowa Community College Athletic Conference fully support the nomination of Shane Larson for the Men's Senior Administrator. The National Junior College Athletic Association couldn't have a better person for this position. If you have any questions regarding my involvement with Shane Larson, don't hesitate to give me a call.
