Dear NJCAA Board of Regents,

I am pleased to nominate Gregory Moss-Brown for the position of NJCAA Men's Senior Administrator. As a seasoned educator, coach, and mentor with over 15 years of experience in the NJCAA, Gregory has demonstrated dedication to student-athletes and the mission of two-year collegiate athletics. His extensive background in coaching, program development, and academic instruction makes him an ideal candidate to represent men's sports at the national level.

Throughout his career, Gregory has not only built successful athletic programs but has also prioritized student-athlete development, both on and off the field. His leadership at Oxford College of Emory University has resulted in multiple NJCAA Scholar All-Americans, Academic Team of the Year awards, and competitive excellence at the national level. Additionally, his experience serving on regional ranking committees, coaching at multiple collegiate levels, and mentoring students across diverse backgrounds reflects his commitment to equity, education, and athletic success.

Beyond his coaching accolades, Gregory is a visionary leader with a deep understanding of NJCAA athletics. His ability to navigate the evolving landscape of collegiate sports, advocate for student-athletes, and collaborate with institutional leaders positions him well to serve in this role. His integrity, strategic mindset, and passion for student success set him apart as a leader who will strengthen NJCAA's mission and impact.

Gregory's leadership and commitment to both athletic and academic excellence have been instrumental in the success of our student-athletes at Oxford College. He is not only a coach but a mentor and advocate who understands the holistic needs of student-athletes in the NJCAA system. His ability to foster an inclusive and high-achieving environment reflects the values we strive to uphold at Oxford College and across the broader NJCAA community.

I fully support Gregory Moss-Brown's candidacy for NJCAA Men's Senior Administrator and encourage his selection for this important leadership position.

Sincerely,

Dr. Darleny Cepin
